

ARCHITECTS & DESIGNERS
NEW PERSPECTIVES 2027

ITALIAN OUTDOOR STYLE SINCE 1951

Welcome to this curated selection of masterpieces, where craftsmanship meets innovation. EMU defines the Design as a characteristic feature of its creative and inspirational work. From the very beginning, EMU has redefined the art of living in the open air. A commitment made up of history, tradition, craftsmanship; enriched by continuous innovation, it has grown into a legacy that has shaped outdoor spaces all over the world. Through these collections, we honor the enduring beauty, elegance, and functionality of our furniture, as well as the designers, artisans, and visionaries who have shaped our journey. Not just furnishings, but the creation of indelible memories. We are with you. We are EMU. We think outside.

“Care less about time because our work is timeless”.
