L-ume

BY EMU

LO STILE ITALIANO DELL'ARREDO DA ESTERNO DAL 1951

La collezione di luci L-UME by EMU si distingue per la sua perfetta fusione tra design contemporaneo e tocco creativo. Realizzata in lamiera stirata di alta qualità, ogni pezzo combina resistenza e leggerezza creando giochi di luce eleganti e trasformando tutti gli ambienti in luoghi accoglienti e curati.

EMU definisce il Design come tratto caratteristico del suo lavoro creativo e ispiratore.

Fin dall'inizio EMU ha ridefinito l'arte di vivere all'aria aperta. Un impegno fatto di storia, tradizione, artigianalità, che grazie all'innovazione è cresciuto fino a diventare un'eredità che ha caratterizzato gli spazi esterni di tutto il mondo.

Attraverso queste collezioni onoriamo la bellezza senza tempo, l'eleganza e la funzionalità, così come i designer, gli artigiani visionari che hanno plasmato il nostro viaggio. Non solo arredi, ma la creazione di oggetti indelebili nei ricordi e nella memoria. Noi siamo con voi. Noi siamo EMU. Noi pensiamo fuori dagli schemi.

"Non abbiate paura del tempo perché il nostro lavoro non ne ha"

ITALIAN OUTDOOR STYLE SINCE 1951

The lighting collection L-UME by EMU stands out for its perfect fusion of contemporary design and creative touch. Made of high-quality expanded metal, each piece combines strength and lightness, creating elegant light effects and transforming any space into a welcoming and stylish setting.

EMU defines the Design as a characteristic feature of its creative and inspirational work.

From the very beginning, EMU has redefined the art of living in the open air. A commitment made up of history, tradition, craftsmanship; enriched by continuous innovation, it has grown into a legacy that has shaped outdoor spaces all over the world.

Through these collections, we honor the enduring beauty, elegance, and functionality of our furniture, as well as the designers, artisans, and visionaries who have shaped our journey. Not just furnishings, but the creation of indelible memories. We are with you. We are EMU. We think outside.

"Care less about time because our work is timeless"
