The Company

Johanson has today reached an international audience with timelessly designed furniture. Its collaboration with several of the foremost designers is longstanding. All manufacturing takes place in the company's own factories with a high degree of flexibility. For instance, 409 RAL colors are available through our Multicolor System. The company generates approximately 330 million SEK in annual revenue.

The company's owners, Dan & Paul Johanson, demonstrate a constant drive for development, showcasing a blend of curiosity and professional expertise that forms the foundation for exciting upcoming product series.

Thanks!

We would like to extend a big thank you to our partners in our nice showroom.
